

## **HEALTH & SAFETY POLICY STATEMENT**

At M&N Containers Ltd we recognise the legal obligations placed on us by the Health and Safety at Work etc. Act 1974 and other statutory provisions. As part of these obligations we are committed to at least comply with all applicable legal and other requirements, with the ultimate aim of providing safe and healthy working conditions that prevent injury and ill health to our employees and others. We will achieve this by continual improvement of our health & safety management systems and performance, with the aim of eliminating hazards and reducing health and safety risks, so far as is reasonably practicable. Progress will be monitored and measured within a framework of key safety and health objectives.

In particular, we will ensure, so far as is reasonably practicable:

- The provision and maintenance of plant and systems of work that are safe and without risks to health;
- The provision and maintenance of a safe and healthy working environment with adequate welfare facilities and arrangements.
- The provision and maintenance of safe means of access to and egress from all workplaces;
- The safety and absence of risks to health in connection with the use, handling, storage and transport of materials and substances;
- The provision of such information, instruction, training and supervision as is necessary to ensure that work may be carried out safely and without risks to health.

We are committed to the maintenance of effective procedures for consultation and communication between all levels of management and employees on all matters relating to health, safety and welfare. This will ensure that others are made aware of their individual and collective obligations under this Policy.

The operation of this Policy will be reviewed at regular intervals and in the light of changing business circumstances, procedures and statutory demands. All changes will be brought to the attention of employees and others whose health may be affected by such changes.

This policy statement is displayed in the Company premises and through our website, or as may be reasonably requested by any interested party.
